

The background of the poster is a composite image. It features the New Horizons spacecraft in the foreground, angled towards the right. The spacecraft has a white body with various instruments and a large gold-colored thermal blanket. In the background, the reddish-brown, textured surface of Pluto is visible, curving across the frame. The sky is black with numerous small white stars. The text is overlaid on this image in white, bold, sans-serif font.

NASA's New Horizons Mission: Exploring Pluto
